

**WE ARE**  
**IMAGO GLOBAL**  
**GRASSROOTS**

# Our Mission

**A world in which the innovations and solutions developed at the grassroots can reach global scale.**

# Our Vision

**Changing development thinking and practices around poverty alleviation.**

# Our work began in 2014

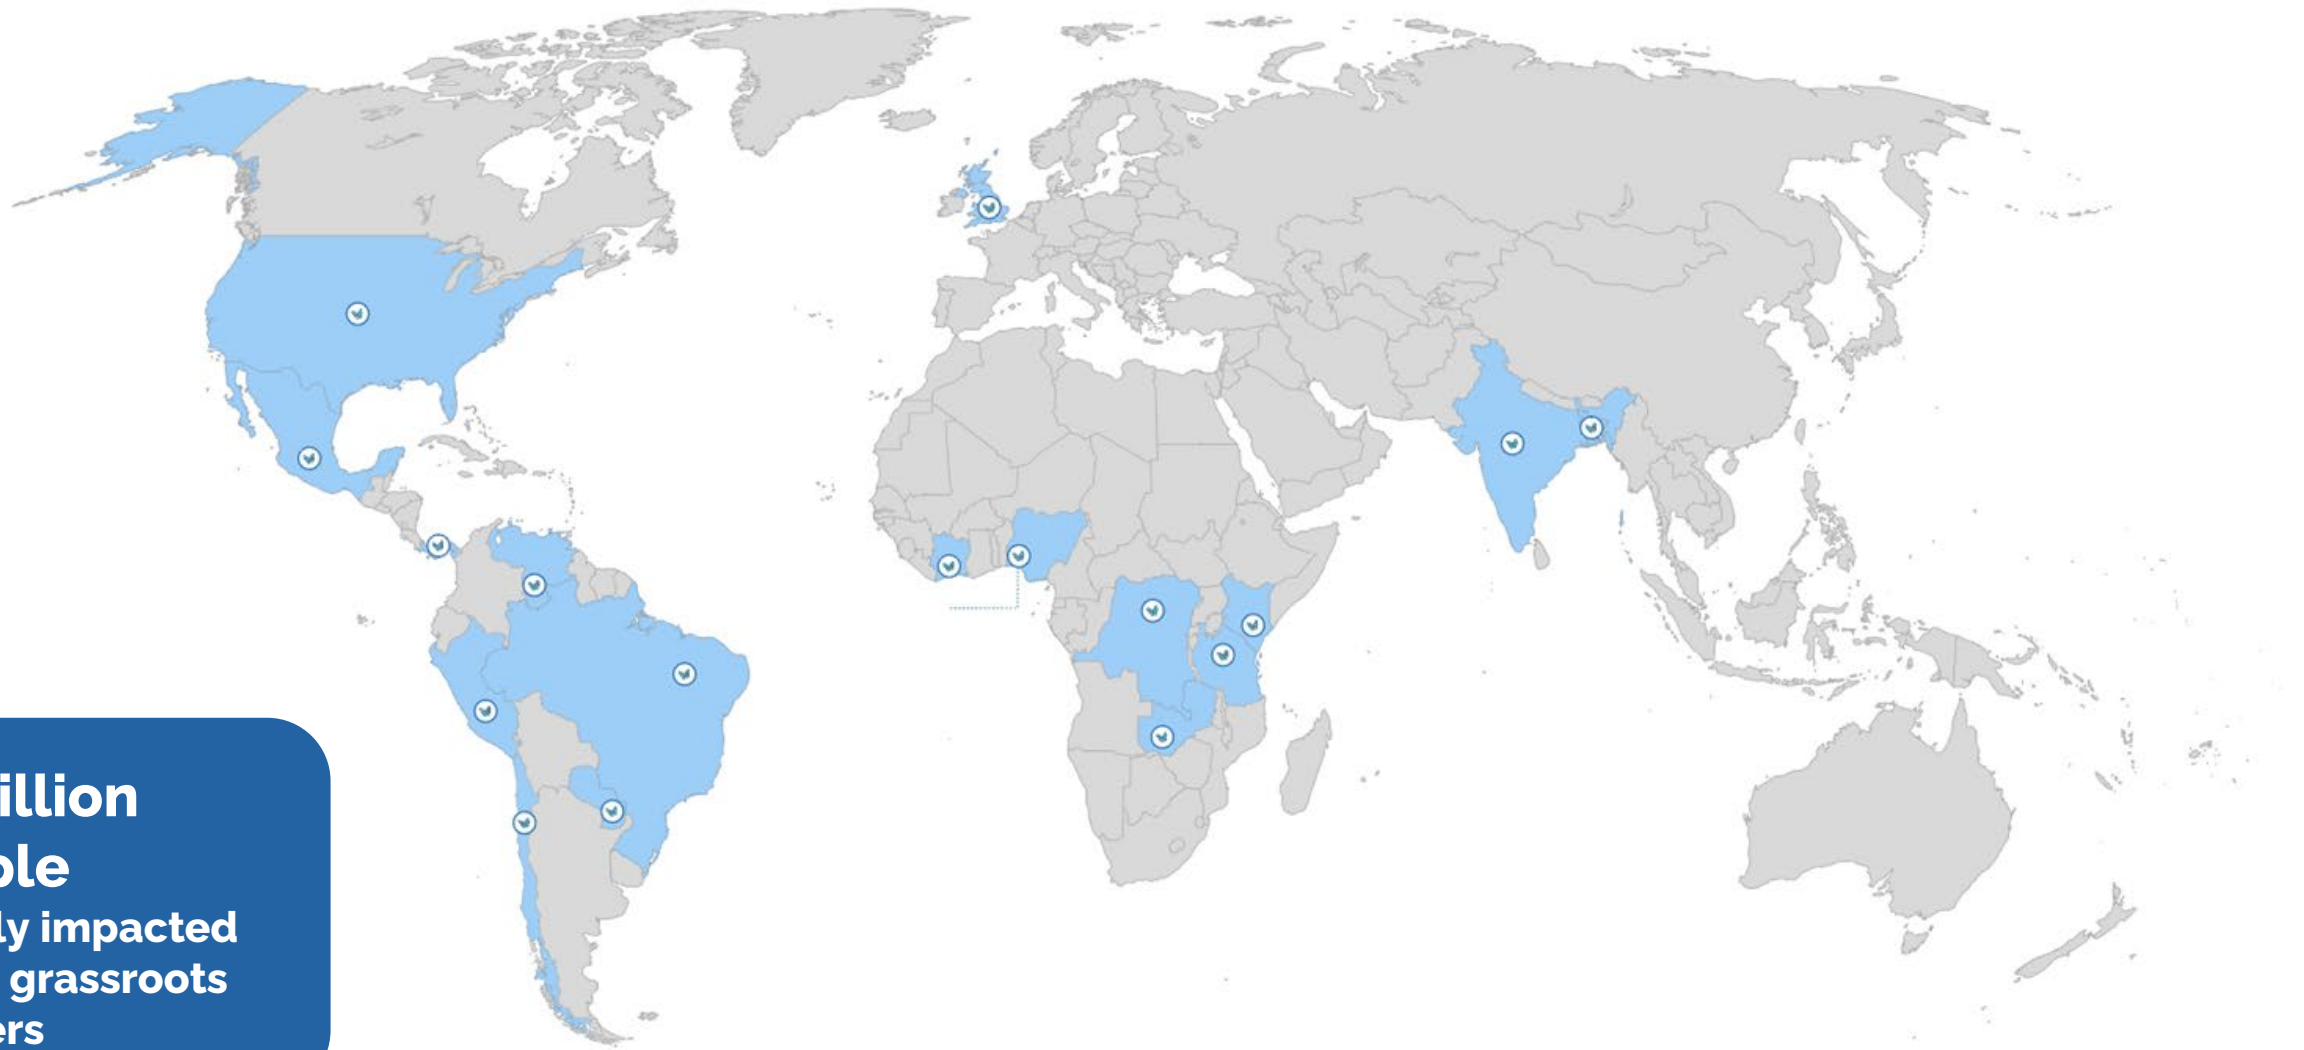

with the goal of helping grassroots projects scale the impact of their development solutions through participatory and human-centered approaches.

**We help scale-up impact.**

# Today we have worked

with 17 countries.

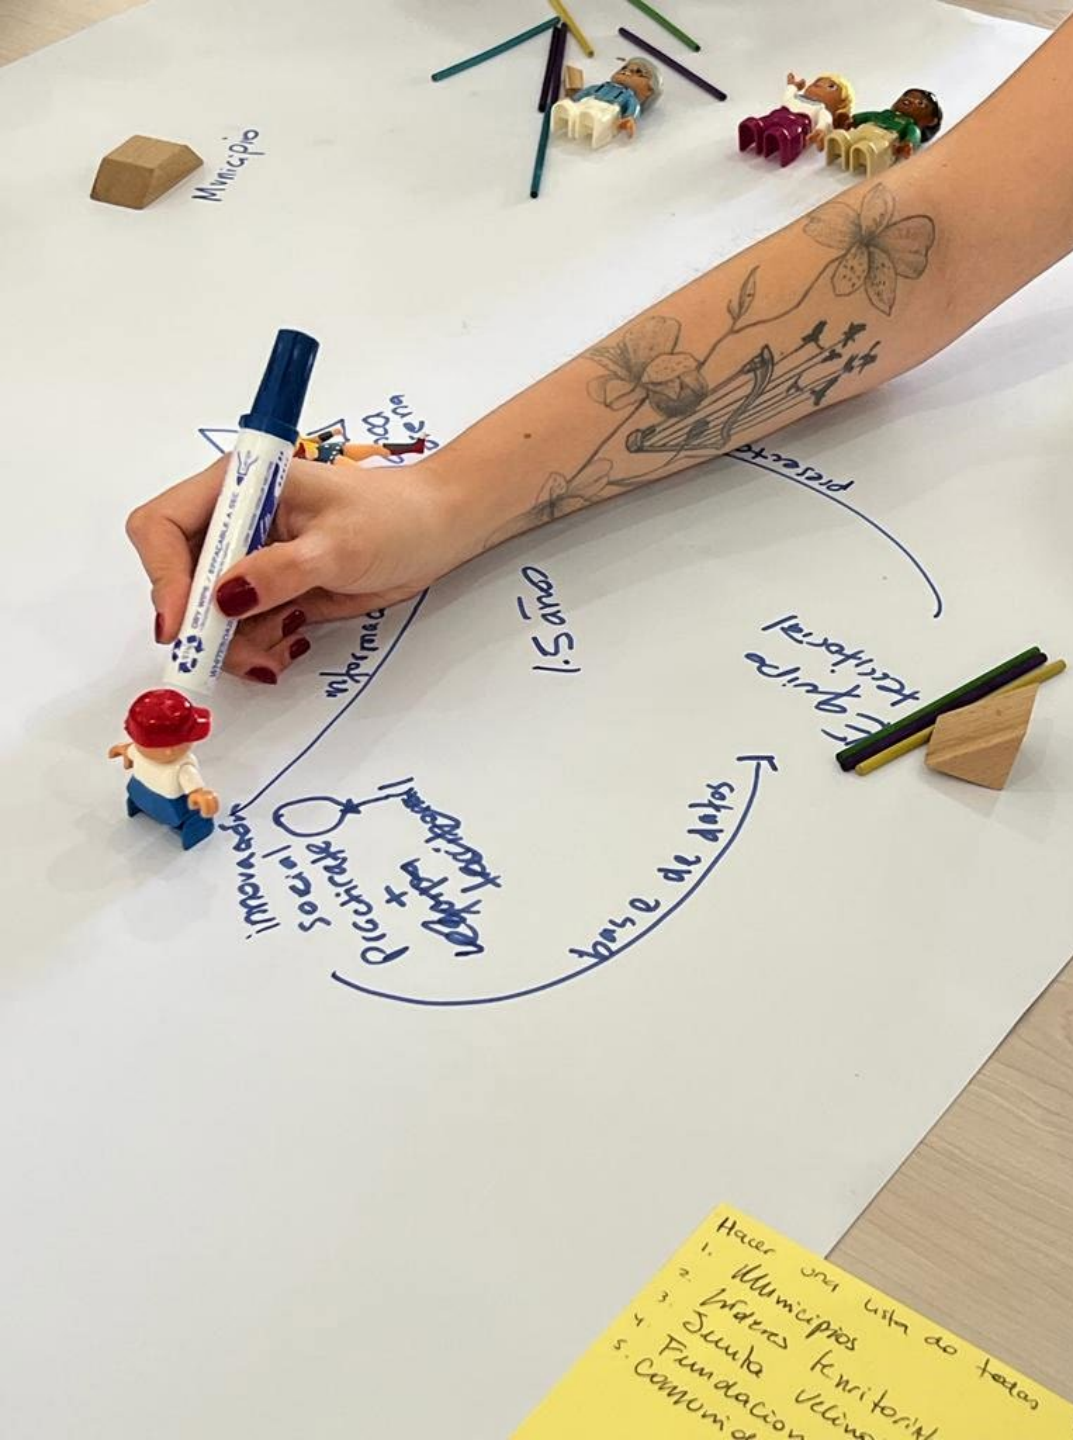

**12 Million**  
**people**  
directly impacted  
by our grassroots  
partners

# WHAT WE DO

## We take organizations on a learning journey.

1. Diagnosis, Strategy & Action
2. Leadership & Organizational Development
3. Evaluation, Learning & Research

In entomology, Imago is the last stage of growth in an insect when it attains maturity to find its wings.

**At IMAGO Global Grassroots,  
we help organizations accelerate  
the process of finding their wings  
so that they can hone their  
potential to scale impact  
and take flight.**

# YOUR CONTRIBUTION WOULD

## **Cooperation Fund for Social Development (FONCODES)**

Your gift will contribute to create the capacities within Foncodes to improve the scalability of the rural entrepreneurship projects they support throughout Peru.

## **Transform Rural India (TRI)**

Your gift will contribute to create guided workshops with the Senior leadership Team to develop their strategic decision making skills as they carry out their work in India's 100 poorest districts.

## **Infancia Primero**

Your gift will contribute to develop the first phase of a scaling-up strategy for Infancia Primero, a Chilean grassroots organization that improves early childhood development.

## **Self Employed Women's Association (SEWA)- Gujarat**

Your gift will contribute to produce interactive modules and educational material in Hindi for women in distant villages.

FIND YOUR VOICE. **SPREAD YOUR WINGS.**  
REIMAGINE THE FUTURE.
